Milford Sound  
to Auckland

Including nine nights  
aboard the 57-cabin  
*Caledonian Sky*

January 27-February 9, 2020

*Featuring special guest lecturer*  
Peter Hillary

Join us as we explore the spectacular islands of New Zealand aboard the intimate 100-passenger expedition ship, *Caledonian Sky*. Isolated from other land masses by the Tasman Sea and Pacific Ocean, it is a world unto itself. Sometimes called “God’s own country,” New Zealand offers refuge to some of the planet’s rarest animal and plant species, many found nowhere else on Earth. This island nation also boasts dramatic untamed wilderness, geological wonders as well as vibrant towns that combine Maori, European and Asian influences to create a cultural voice all their own.

From the world-famous Milford Sound on the South Island to the city of Auckland on the North Island, our carefully crafted itinerary has been fine-tuned through decades of experience operating expedition cruises to New Zealand:

- After the long trans-Pacific flights, we’re thinking the last thing you’ll want to do is hop onto a mid-tour flight within New Zealand; instead you’ll fly into Queenstown and home from Auckland, with **all internal travel by ship** for a much more comfortable and relaxed experience.
- We not only include highlights such as **Doubtful, Dusky** and **Milford Sounds** in Fiordland National Park, and the vibrant cities of **Dunedin, Wellington** and **Auckland**, but also a **two-night stay in Queenstown**, set against the dramatic Southern Alps.
- During the cruise we call at several **hidden gems that others miss: Stewart Island**, a national treasure with rare and endemic birdlife that few are lucky enough to visit; **Akaroa**, with New Zealand’s largest mainland colony of Little Penguins, Hector’s dolphins, and other marine life; and **Rotorua**, the heartland of Maori culture and a geothermal wonderland.
- Our **naturalists have unmatched experience** in the area, and know where to bring the Zodiacs to find wildlife and the best views.

The *Caledonian Sky* is a **true small ship**, with just 57 cabins, instead of 90 or more on other ships—that’s at least 60 fewer guests, and makes a real difference in your experience every day of the trip, as well as your opportunities to interact with our world-class lecture team. Sign up now to secure your spot on this unparalleled journey!

*Soak up the dramatic setting of Queenstown during a two-night stay, then cruise for nine nights all the way from Milford Sound to Auckland, avoiding internal flights. Call at hidden gems that larger ships miss, including Stewart Island and Rotorua.*

## STUDY LEADERS

Peter Hillary is the son of Sir Edmund Hillary, the first man to reach the summit of Mount Everest with his climbing partner Tenzing Norgay in 1953. Peter is also

the first second-generation to climb Mt Everest, has climbed the Seven Summits (the highest mountain on each of the seven continents) and he has been on over 40 mountaineering expeditions around the world. Peter is a speaker, author, entrepreneur, and philanthropist who is active with several Himalayan foundations that build and run schools, hospitals, forestry and environmental programs in the Himalayan region of Nepal. He actively supports outdoor youth leadership programs and New Zealand conservation efforts, including protecting the kea, the world's only mountain parrot. Peter is excited to share his experiences regarding international conservation, philanthropy, leadership, and the future prospects of New Zealand during the program.

Neville Peat is an award winning New Zealand writer and adventurer who has published nearly forty books on geography, biography, history, and the natural environment, the most recent being *The Invading Sea*. A Dunedin city councillor,

Neville has accompanied ship-based tours of mainland New Zealand and the New Zealand Subantarctic Islands for the past 15 years as a lecturer and guide. He also chairs the trust board for Dunedin's Orokonui Ecosanctuary, an ecological island wildlife reserve. A very popular lecturer, Neville infuses travelers with his passion for and encyclopedic knowledge of New Zealand's natural wonders.

Mark Van Baalen, Associate in Earth and Planetary Sciences at Harvard. Mark's research has included field-based projects in New England, California and the Swiss Alps, all focusing on details of the origin of ancient ocean basins and their associated

mountain belts. On this journey, Mark plans to lecture on the natural history of the regions being visited, as well as painting a broader picture of human interaction with its environment, now and in the past.

## ITINERARY

Monday–Wednesday,  
January 27–29, 2020

### Home / Queenstown

Depart home on an overnight flight to Queenstown, New Zealand, gateway to the South Island's breathtaking alpine and glacial scenery. Lose one day crossing the International Date Line. This evening meet fellow travelers at a welcome reception with views of Lake Wakatipu.

NOVOTEL QUEENSTOWN  
LAKESIDE HOTEL (R)

### Thursday, January 30 Queenstown

Following an introductory lecture, embark on a private cruise across scenic Lake Wakatipu to Mt Nicholas High Country Farm for a private, behind-the-scenes visit of this 100,000 acre, family-run merino sheep farm, with the option of an easy cycle ride with panoramic alpine views at every turn. The afternoon is at leisure to relax, explore the downtown Queenstown scene, or perhaps ride the Skyline Queenstown Gondola to the top of Bob's Peak for wonderful views over the town. NOVOTEL QUEENSTOWN LAKESIDE HOTEL (B,L)

Friday, January 31

### Milford Sound / Embark Caledonian Sky

Drive to spectacular Milford Sound via the shores of Lake Te Anau to Fiordland National Park. On arrival at Milford, board a small boat and cruise close to the towering cliffs and cascading waterfalls before embarking the *Caledonian Sky*. Celebrate the first evening on board with a Captain's welcome reception and dinner while cruising New Zealand's iconic Milford Sound.

CALEDONIAN SKY (B,L,D)

Saturday, February 1

### Doubtful & Dusky Sounds

When the glaciers covering Fiordland retreated 14,000 years ago, they left behind an extraordinarily serrated coastline, plunging fiords, and deep branching lakes, further enhanced by mist-shrouded mountains, cascading waterfalls, and vast beech forests. This is New Zealand at its wildest, most remote, and most beautiful. It's also an area rich in history; Captain Cook landed here on HMS *Resolution* in 1773. Explore these unspoiled waterways, only accessible by sea, and well known for abundant wildlife, including fur seals and pods of bottlenose dolphins. CALEDONIAN SKY (B,L,D)

Sunday, February 2

### Stewart Island (Raikura)

Anchor in Paterson Inlet to visit Stewart and Ulva islands. Stewart Island (Raikura), the southernmost inhabited outpost of New Zealand with a population under 500, is a quiet, seldom-visited wilderness oasis and an ornithologist's delight. Ulva Island is a sanctuary for both birds and plants, including species that are rare or extinct on mainland New Zealand. Naturalist guides lead bush walks of varying lengths that may include sightings of weka, kākā, the flightless Stewart Island kiwi, silvereyes, and fantails. Weather permitting, an optional ocean fishing excursion will be offered (for an additional cost). CALEDONIAN SKY (B,L,D)

Monday, February 3

### Dunedin

Cruise this morning into the beautiful harbor city of Dunedin, regarded as New Zealand's architectural heritage capital. Built on the gold rushes of the 1860s, today Victorian and Edwardian buildings can still be seen at every turn. Embark on a guided tour of this beautifully preserved city including a visit to the spectacular Dunedin Botanic Garden, with over 6,800 plant species, and the Otago Museum, for superb insight into

the natural history of the South Island, as well as its industries and its peoples. While in Dunedin, drive to Taiaoroa Head on the tip of the Otago Peninsula to see northern royal albatrosses, in their natural habitat. This is the only mainland location in the world. Special viewing areas have been constructed for observing these birds without disturbing their natural activities. Alternatively, ride the rails on a vintage train with open air viewing platforms through the beautiful Taieri Plains before climbing into the rugged Taieri Gorge, a narrow and deep ravine carved out by the ancient Taieri River. As the ship departs Dunedin, come out on deck to birdwatch at sunset along the Otago Peninsula.

CALEDONIAN SKY (B,L,D)

Tuesday, February 4

## Akaroa

Akaroa meaning, 'Long Harbor', in Maori, is a historic French and British settlement, nestled in the heart of an ancient volcano on the Banks Peninsula. In the morning, choose between a guided walk through the charming colonial town and surrounding native bush of the Garden of Tane or a guided 4x4 drive to a private farm to see the largest Australasian Little Penguin colony on mainland New Zealand and an inspiring example of private individuals saving an endangered species. Or if you prefer you can simply wander in the town and enjoy the alluring French atmosphere of this seaside retreat. Return to the ship for a relaxing afternoon at sea and a continuation of our lecture series.

Wednesday, February 5

## Marlborough Sounds / Wellington

Sail across Cook Strait between the North and South Islands and enter a world of pristine natural beauty. This morning anchor at Ship Cove, where Captain Cook arrived aboard the Endeavour in 1770. Explore the islands and inlets by Zodiac and during short walks on the famed Queen Charlotte Track. Keep an eye out for some of the wildlife Cook described in his reports, as well as rare birds such as the South Island saddleback, the bellbird, and the New Zealand robin. Arrive in Wellington for U.S. Embassy briefing (schedule permitting) followed by a free evening off the ship. Stroll along the picturesque waterfront and enjoy the option of dining off the ship at a restaurant of your choice in town. This evening, (available at extra cost), choose to travel to Zealandia for a private night tour through this protected predator-proof ecosanctuary that is home to some of New Zealand's rarest species, including kiwis. CALEDONIAN SKY (B,L,D)

Thursday, February 6

## Wellington

Wellington is New Zealand's capital city, where colorful Victorian houses perch on steep hills overlooking one of the world's loveliest harbors. Tour the city's lush botanical garden and visit the spectacular waterfront museum Te Papa Tongarewa (Maori for "Repository of Things Precious"). Discover how the Maori navigated the Pacific to arrive on these islands and learn about their myths and traditions. Return to the ship for lunch and an afternoon of cruising as we continue our lecture program. CALEDONIAN SKY (B,L,D)

Friday, February 7

## At Sea

Enjoy a day at sea, with onboard lectures and time to relax, as the *Caledonian Sky* cruises along the east coast of the North Island.

CALEDONIAN SKY (B,L,D)

Saturday, February 8

## Tauranga/Rotorua

Dock this morning in Tauranga and disembark for a drive to Rotorua, the heartland of New Zealand's Maori culture. Enjoy a private gathering with Maori elders at a special *powhiri* (welcome) ceremony in a Maori village nestled within a native Tawa forest. Observe Maori weaving, carving, face tattooing, and food preparation activities. Also learn about warrior training and the fearsome *haka* posture dance as part of an exhilarating cultural performance. After a traditional *hangi* lunch, visit some of Rotorua's famed geothermal features, where boiling mud pools and colorful hot springs provide remarkable evidence of the still-hot magma just beneath the earth's surface. Back on board, celebrate your New Zealand adventure with fellow travelers during the Captain's Farewell reception and dinner.

CALEDONIAN SKY (B,L,D)

Sunday, February 9

## Auckland/Home

Arrive in Auckland, the "City of Sails," and disembark for an overview tour of the city's highlights including a stop at Bastion Point offering magnificent views back to Auckland. Enjoy lunch at a seaside restaurant with free time for exploring independently before transferring to the airport for flights home, regaining the day lost on the inbound journey. (B)

## PRE-TOUR EXTENSION

### Queenstown

January 26–29, 2020

Fly into Queenstown two days early for the chance to journey through the dramatic *Lord of the Rings* landscapes of Central Otago and meet wine makers from the world's southernmost winemaking region.

Queenstown is the gateway to over 200 vineyards producing some of the world's best wines, which you'll enjoy during wine tastings and a lunch in this picturesque region. On the way, stop in historic Arrowtown for a guided tour of this community that sprang to life in the 1860s following the discovery of gold in the Arrow River and still retains 60 of the original gold-rush buildings. The following day, travel to Glenorchy to take a wilderness jet boat trip up the glacier-fed, turquoise water Dart River to witness the stunning scenery of the World Heritage Area of Mount Aspiring National Park, the flora and fauna of which has become the world's best example of ancient Gondwana Land. You'll also have the chance to walk among old-growth beech trees, which form a natural wonderland.

## POST-TOUR EXTENSION

### Sydney, Australia

February 9–12, 2020

Extend your trip with three nights in cosmopolitan Sydney, Australia. Activities include a private tour of the iconic Sydney Opera House; a walking tour of the Rocks District, Sydney's historic center that has been sensitively revitalized; a viewing of

the aboriginal art at the Art Gallery of New South Wales; and a visit to the Royal Botanic Gardens, plus time for independent exploration.

*Our carefully crafted itinerary has been fine-tuned through decades of experience and includes:*

**No hidden fees** for internal flights, crew gratuities, or port taxes, which can add over \$700 per person to your actual costs on other programs.

**Our private ship eliminates the need for any on-tour flying** hassles, creating a much more comfortable and relaxed experience.

## PROGRAM RATES INCLUDE

Full program of briefings, lectures, and presentations by study leaders and local guides • Two nights accommodations in Queenstown. Nine nights aboard the *Caledonian Sky*. • All meals as specified in the itinerary. • All excursions, including entrance fees, as specified in the itinerary • Scheduled transfers on group arrival and departure days • Baggage handling • Gratuities to porters, guides, drivers, and ship's crew for all group activities • Port fees and embarkation taxes • House wine, beer, and soft drinks at lunch and dinner on board the *Caledonian Sky* and at group meals off the ship • Welcome and farewell wine receptions • Bottled water on excursions • Complete packet of pre-departure information • Professional tour manager throughout

**AIR ARRANGEMENTS** Valerie Wilson Travel, Inc., can help with airline arrangements for this trip and can be reached at (877) 376-1754. You are also welcome to book your air transportation through your local travel agent, an online travel site, or the airline of your choice. **PLEASE NOTE:** U.S. domestic and international airfare is not included in the program rates. Round-trip economy-class airfare from New York to Queenstown, with return from Auckland, is approximately \$2,200 per person as of February 2019 and is subject to change without notice.

## CALEDONIAN SKY

The *Caledonian Sky*, formerly the *Hebridean Spirit*, is a 57-cabin premier expedition ship. All cabins have an ocean view, en suite bathroom with walk-in shower and/or bathtub, spacious wardrobe or walk-in closet, safe, minibar, individually controlled heat/air conditioner, flat-screen television, and sitting area with sofa. Twenty-three of the suites feature private balconies. The ship's amenities include an elegant indoor dining room, al fresco dining on the Lido Deck, two lounges with bar service, small library and gym, sun deck with comfortable lounge chairs, hairdresser, laundry service, and gift shop. An elevator services all passenger cabin decks. The *Caledonian Sky's* chefs prepare quality international meals, predominantly Western-style, served in a single open seating. A friendly crew provides exceptional, personalized service, with more than a 1:2 crew-to-passenger ratio. The ship features advanced satellite navigation and communication equipment, roll stabilizers, and a fleet of Zodiac landing craft.

## GENERAL INFORMATION

**WHAT TO EXPECT** You will experience varying weather conditions during this trip, with temperatures ranging from the mid-50s to the mid-60s Fahrenheit. Rough seas are always a possibility, and intermittent rain showers are common year-round. The pace of this program is moderately active, with up to two miles of walking often over uneven terrain, or where stairs are unavailable or do not have handrails. Participants will need to climb into and out of Zodiacs for some shore excursions (staff and crew members will be on hand to assist). Participants must be in good health and able to keep up with the group without assistance from tour staff.

**PROGRAM RATES DO NOT INCLUDE** U.S. domestic and international airfare • Passport and visa fees • Medical expenses and immunizations • Trip cancellation/interruption and baggage insurance • Optional excursions or deviations from the scheduled tour • Excess-baggage charges • Meals not specified in the itinerary; dishes and beverages not part of the included meals • Alcohol or soft drinks except where indicated as included • Private transfers or transfers not on program arrival and departure days • Personal items such as room service; email, telephone, and fax charges; and other items of a personal nature

**GROUP SIZE** This program is limited to 94 participants, including travelers from the World Affairs Council of Philadelphia, National Trust Tours, Harvard Alumni Travels, Smith Travel, and the Commonwealth Club.

**INSURANCE** We strongly recommend the purchase of trip cancellation insurance, which is available for coverage of expenses in conjunction with cancellation due to illness or accident. Baggage insurance is also recommended. In the event that you must cancel your participation in a travel program, trip cancellation insurance may be the only source of reimbursement.

### TERMS & CONDITIONS

Complete Terms & Conditions will be sent to participants upon confirmation and are available to prospective travelers upon request. As a condition of participant, each passenger will be required to sign a Release of Liability, which will be sent along with the Terms & Conditions.

### RESERVATIONS & PAYMENTS

To reserve a place, please complete and return this form with your deposit of \$1,000 per person, payable to Criterion Travel, to: Criterion Travel, 165 Jessie Street, Suite 4, San Francisco, CA 94105. ### CANCELLATIONS & REFUNDS

Cancellations shall not be effective until they are received in writing by Criterion Travel. Deposits are refundable (less a \$500 per person administration fee) if written notice of cancellation is received within 30 days of reservation; after that, deposits are 100% nonrefundable. Cancellations after final payment

deadline of September 30, 2019: All payments are 100% nonrefundable, regardless of booking date. Refunds cannot be made to passengers who do not complete the tour for any reason at all. Criterion Travel reserves the right to withdraw a participant from a tour at any time at his/her own expense, when such action is determined by tour staff to be in the best interest of the health, safety, or general welfare of the tour group or the individual participant, and subject only to the requirement that the recoverable portion of the tour price that corresponds to the cost of unused services and accommodation be refunded, if any.

### ITINERARY CHANGES

The itinerary presented for this tour is subject to modification and change by Smith Travel and Criterion Travel. Every reasonable effort will be made to operate the program as planned; however, should unforeseen world events and conditions require the itinerary to be altered, Smith Travel and the tour operator reserve the right to do so for the safety and best interest of the group. Any extra expenses incurred in this situation are the responsibility of the participant.
